Holyoke (Mass.) Contributory Retirement System committed a total of \$14 million to three real estate funds from emerging managers, confirmed Raymond Depelteau, chief investment officer. The \$180 million pension fund committed \$6 million each to **Long Wharf Real Estate Partners IV** and **TerraCap Partners II**, managed by **TerraCap Management**, and \$2 million to **IC Berkeley Partners III**, managed by **Industry Capital**.

The pension fund issued an RFP in February. The commitments are first-time allocations to be funded from rebalancing. No managers will be terminated.
